

### PHYSICIAN ASSISTANT POSITION

Blair Orthopedics, a growing orthopedic specialty practice with 8 physicians, 3 PA-C's, and two offices in Blair County, Pennsylvania, has an immediate opening for a full-time **PHYSICIAN ASSISTANT**.

Join central PA's premier orthopedic team where the focus is on quality patient care, customer service and teamwork. We offer a great working environment, opportunity for professional growth, competitive salary, and excellent benefits.

Position has both office-based and hospital/OR responsibilities including hospital rounding. Requires proficiency with H&P's, ordering and interpretation of diagnostic studies, bracing/casting, injections, preparation of dictated reports and surgery papers, and post-operative care. The selected candidate will be self-motivated and ready for a busy practice with demonstrated oral/written communication and proven decision-making skills.

Candidates with Pennsylvania (PA-C) and national (NCCPA) certifications are encouraged to apply. While a minimum of two years relevant experience is strongly preferred, new grads with orthopedic experience are welcome to apply.

If you are looking for a fast-paced challenge and enjoy diversity, we invite you to apply online at [www.BLAIRORTHO.com](http://www.BLAIRORTHO.com) or send your resume to:
