The Glendale Area Medical Association, Inc. is a private non-profit 501 c 3 organization. Established in 1979, the Center is a Federally Qualified Health Center and qualifies for loan reimbursement from the PA Department of Health. Please visit (<http://www.dsf.health.state.pa.us/health/site/default.asp>) and select Primary Care Practice Opportunities for additional information on the loan program. The Center is located minutes from Prince Gallitzin State Park and serves communities in both southern Clearfield and northern Cambria counties.

The Center is currently seeking to hire a full-time Physician Assistant to assist the two Family Practice physicians within the group. Part-time and casual positions would be considered for interested candidates. The schedule would include clinical and administrative hours each week, with an evening session weekly until 6:30 pm. There is no call or weekend coverage associated with this position. We would anticipate a caseload of 15-20 patients per day.

This position offers the opportunity to be involved in the continued growth of the organization. The Medical and Dental providers have an average of over 18 years experience within the organization. We are looking for individuals committed to the mission and ideals of the Community Health Center model. Please visit the Health Resources and Services Administration (HRSA) website, <http://bphc.hrsa.gov/> for additional information regarding the role of Health Centers in the community.

Please submit your CV electronically to jennifer.ballock@glendale-medical.com. You may contact Jennifer Ballock, Clinical Director for any additional information.
