

**SAINT FRANCIS UNIVERSITY
MASTER PHYSICIAN ASSISTANT SCIENCES**

**SUPPLEMENT TO APPLICATION
(For In-House Transfer Applicants Only)**

1. Have you ever been convicted of a crime (other than minor traffic violations)? Yes No

If yes, give data and offense: _____

Please note, being convicted of a crime does not exclude you from admission, each case is reviewed on an individual basis

2. Have you ever been dismissed from a place of employment or schooling (other than academic reasons)?
 Yes No

3. Have you ever been in the armed forces? Yes No

If yes, what branch: _____ Dates: _____

Honorable Discharge? Yes No

4. Please construct a list of your education/employment history.

<u>Place of Employment/schooling</u>	<u>Dates</u>	<u>Reason for Leaving</u>
--------------------------------------	--------------	---------------------------

5. Please list any health care experience:

<u>Type of Health Care Experience</u>	<u>Credentialing (if any)</u>	<u>Start/End Dates</u>
---------------------------------------	-------------------------------	------------------------

6. As an accredited physician assistant program, the Saint Francis University MPAS Program is responsible to assure that its physician assistant students meet the minimum standards set forth for undertaking the roles of the physician assistant. Please see the Saint Francis University Student Technical Standards for complete details. A brief description of some of the services that may be performed by a physician assistant is as follows:

- Evaluation:** Elicit a detailed and accurate history, perform an appropriate physical examination, order, perform, and interpret appropriate diagnostic studies, delineate problems, develop management plans, and record and present data.
- Monitoring:** Implement patient management plans, record progress notes, and participate in the provision of continuity of care.
- Therapeutic:** Perform therapeutic procedures and manage or assist in the management of medical and surgical conditions, which may include assisting surgeons in the conduct of operations and taking initiative in performing evaluation and therapeutic procedures in response to life-threatening situations.
- Patient Education:** Counsel patients regarding issues of health care management to include compliance with prescribed therapeutic regimens, normal growth and development, family planning, and emotional problems of daily living.
- Referral:** Facilitate the referral of patients to other health care providers or agencies as appropriate.

I certify that the information which I have given is true to the best of my knowledge. Information from this form may be used by officials of the University.

Any misrepresentation on part of the applicant is cause for non-acceptance, cancellation of acceptance or dismissal from the Program if subsequently discovered. All documents submitted in support of the application become the property of the University and are not returnable or transferable.
