

SAINT FRANCIS UNIVERSITY

Summer Academies

For students entering grades 11 and 12 in Fall 2023

The SFU Summer Academies are one-week, residential, immersive programs for high school students who are currently in grades 10 and 11 (and are at least 15 years old) and are interested in pursuing a career in science, technology, engineering, arts, or mathematics.

2023 Academies

June 25 - 30, 2023

- Chemistry Exploration
- Improvising and Devising Theatre ***NEW***
- Pre-Med

July 9 - 14, 2023

- Computer Science and Cybersecurity Bootcamp
- Design of a Lunar Base
- Environmental Science and Engineering: Water Reclamation

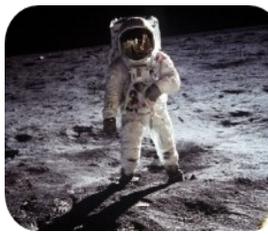

Why Attend Academies?

- Earn 1 College Credit
- Get a head start on your college experience! Participate in **industry-style labs** and immerse yourself into **college level classrooms**
- Students selected for academies will be provided with room and board on our beautiful campus and all course materials
- Participants will be eligible for a \$1,000/year scholarship to SFU (see website for details)

There is a \$25 non-refundable application fee for each academy, payable with your application submission. Thanks to generous funding, most academies are offered at the discounted rate of \$550; the Environmental Science and Engineering Academy is \$150. This includes all instruction materials, plus room and board on our beautiful campus.
