

2023 Spring Semester in *France*

The core academic program is 9 credits (FREN, FNAR 102 and RLST 390). Everyone participates in these 3 core courses because they form the basis of the program, directly linked to nearly all activities and teach how to approach another culture. The courses are fun and students inevitably appreciate them immensely. Additional courses, offered in France, may be added. Students may also take on-line courses to help maintain their progress toward graduation.

RLST 390 Early and Medieval Church *History & Architecture*: Focus on Pilgrimage (3 credits) This course aims to make clearer the policies of the Roman Catholic Church across Western Europe – and especially France – during the Middle Ages. In an introductory class on pre-historical times and Antiquity, we will examine the birth of spirituality and abstract thought in mankind, and then move along to the emergence and development of Christianity during the Roman Empire.

Additional on-site courses TBA.

A once-in-a-lifetime experience available to students in every major. You will stay in the University's renovated facility in Ambialet, located in south-western France. The program is based in Ambialet but includes extended stays in Paris and Barcelona. Not only will you visit some of Europe's greatest cities and discover a spectacular region of France, you will meet both young and old in every location we visit, as well as in Ambialet, our home village. Castles, museums, hikes, natural sites, wonderful food, wine and cheese tastings... what's not to like?

The Semester in France is the same tuition, room & board costs as a semester in Loretto. Your financial aid applies.

I never thought an experience like this would have ever happened. I'm not usually one to step out of my comfort zone, but I'm so thankful that I did. From climbing the mountains of Ambialet to walking the streets of Barcelona, every day is a treasure
