## Looking for a health care provider? Here's how.

An important consideration when selecting a health insurance plan is whether your doctor is part of the plan's network. Remember, as members of UPMC Health Plan, you and your family have full in-network access to UPMC.

And when you become a member of UPMC Health Plan, you can save money when you choose participating providers.

**Follow the easy step-by-step directions on the other side of this paper to find in-network doctors and facilities.**
