

The Center for Student Engagement coordinates the Transportation Services program at Saint Francis University. Various services are offered to SFU students, including:

- **Shuttle Service** — Students can arrange for SFU shuttle service to area transportation hubs for bus, train, or airports to get back and forth from home during breaks or on weekends. SFU Transportation regularly services the Johnstown/Cambria County Airport and the Altoona-Blair County Airport for flights and the Altoona Transportation Center for Amtrak train and Greyhound bus. Shuttles are also offered to the Pittsburgh International Airport. Low standard rates are charged for students who utilize regularly-scheduled shuttles. Students who desire a more customized service outside the regular schedule are subject to a premium rate.
- **Shopping** — Weeknight shopping shuttles depart each weeknight from the JFK Center to area stores including Ebensburg Walmart, and shopping malls and plazas in Johnstown and Altoona. The service is free of charge and available on a first-come, first-served basis.
- **Non-Emergency Medical Transports** — Students who schedule doctor, dentist or eye appointments can request a shuttle transport to Ebensburg, Altoona or Johnstown for a small fee.

Students and families can find a full schedule (printable) posted to our Transportation link at <http://life.francis.edu/Transportation> along with our policies and rates.

The Center for Student Engagement maintains a partnership with Enterprise Rent-A-Car and their exciting CarShare program that provides students access to safe, reliable Enterprise vehicles for a low hourly rate. To get started, go to our [official SFU CarShare link](#) and create your membership account. Then simply download the app, reserve a car, and drive!

Be sure to view the Enterprise CarShare program's [Frequently Asked Questions](#).
