Notes:

- (1) This pathway assumes students will complete BUSI 245, ENGL 207, and a History course at HACC for the 9 credits of transfer electives however there are other options that students may select that will transfer to SFU and fulfill requirements. These include a Language at the 102 level or higher, a Fine Arts elective, or FIN202.
- (2) This pathway assumes that students will complete PHIL 101 at HACC for the Humanities/Arts elective however there are other options that students may select that will transfer to SFU and fulfill requirements. These include a Language at the 102 level or higher or a Fine Arts elective.
- (3) After the completion of this program of study if students meet all progression standards, they will be guaranteed admission to the SFU MBA program and will have 21 credits (7 courses) remaining for the completion of their MBA degree. Students are encouraged to meet with the Director of Graduate Program after the completion of their third year to select MBA classes.

Notes:

- (1) This pathway assumes students will complete BUSI 245, ENGL 207, and a History course at HACC for the 9 credits of transfer electives however there are other options that students may select that will transfer to SFU and fulfill requirements. These include a Language at the 102 level or higher, a Fine Arts elective, or FIN202.
- (2) This pathway assumes that students will complete PHIL 101 at HACC for the Humanities/Arts elective however there are other options that students may select that will transfer to SFU and fulfill requirements. These include a Language at the 102 level or higher or a Fine Arts elective.
- (3) After the completion of this program of study if students meet all progression standards, they will be guaranteed admission to the SFU MBA program and will have 21 credits (7 courses) remaining for the completion of their MBA degree. Students are encouraged to meet with the Director of Graduate Program after the completion of their third year to select MBA classes.
