### Articulation Agreement

**Saint Francis University, Division of Professional Studies**

**and**

**Westmoreland County Community College**

#### I. PURPOSE

Saint Francis University (SFU), Division of Professional Studies (DPS) and Westmoreland County Community College (WCCC), in academic cooperation and in order to facilitate the transfer of credits from Westmoreland County Community College to Saint Francis University, hereby enter into an academic articulation agreement. Successful implementation of the Agreement is dependent upon communication of its content to all involved participants and the assumption of responsibility by both institutions for such communications.

#### II. TRANSFER PATHWAY(S)

1. Saint Francis University is an accredited university, where all academic course work in which a WCCC student has earned a grade of "C" or higher, is fully transferable based on course equivalents. Up to 98 credits *MAY* be accepted in transfer toward an approved bachelor's degree program available online through DPS.
2. Based on the course equivalency, SFU will transfer credits from WCCC based on the pre-approval of the department chair of the content course. The transfer of credits will be as of the date of the approval from the department chair and the completion of the course by student(s).
3. Transfer credit is awarded based on degree program requirements. Residency requirements equate to 30 credit hours or 10 classes. Official documentation is required for consideration.

Each paradigm lists equivalent courses for transfer as agreed by both parties. Any other programs to be considered for transfer credit will be evaluated on a case by case basis. Courses not specified in the paradigms will need to be submitted for approval prior to transferring.

### III. Terms

1. SFU and WCCC may change tuition rates at any time at its sole discretion and the reduction will be calculated based on the current tuition in effect for the applicable academic term for the enrolled program. Eligible employees and alumni shall not be entitled to any other reduction and are subject to all other admission and continuation requirements as set forth in the respective SFU policies and catalogs.
2. This agreement provides WCCC eligible students and employees a twenty-five (25%) percent tuition reduction in courses matriculated through DPS, applicable as of the date this Agreement as fully executed by the parties below. Students and employees must identify as WCCC students or employees at the time of application. This scholarship does not apply to traditional Saint Francis University courses and programs.
3. This Agreement is effective as of the date of the fully executed document and shall continue until terminated. Both parties must approve amendments to the Agreement in writing. Either party may terminate the Agreement without cause upon 90 days written notice to the other party. Notwithstanding the foregoing, either party may terminate the Agreement immediately in the event that participation under the Agreement may give rise to a violation of any requirement of federal or state law or regulation or the requirements of any accrediting agency having jurisdiction.
4. Admission criteria and academic requirements will be subject to the applicable academic catalog accessed through francis.edu at the time of the students' admission. Students who have begun their program of study or students in the process of enrolling prior to the

effective date will be grandfathered in to continue receiving the discount offered in this Agreement until such time such students complete or discontinue enrollment in their program.

5. Transferability of third-party course work will be evaluated on a case by case basis.
6. This Articulation Agreement is based on the current curriculum of both educational institutions. Each institution is responsible for notifying the other of any substantive changes to the curriculum. This agreement shall be reviewed by both institutions every three years. Curriculum may be updated and added for the term of this agreement as long as both parties agree to the terms in this agreement at the time the curriculum is changed. By signing and dating the curriculum document, the documents will hereby be made part of this agreement.
7. The parties grant to each other a non-exclusive, non-transferable license to use each other's trademarks and service marks in furtherance of the articulation coordination detailed herein or in a manner solely for the purpose of identifying and communicating the existence of the relationship to Westmoreland County Community College students and alumni. Use of trademarks, service marks and logos will comply with use policies of the originating institution. The parties shall discontinue the use of the licensed marks and return any and all files and materials containing the licensed marks supplied by the owner at termination or expiration of the Agreement. Neither party grants to the other any interest in the other party's trademarks. Should either originating institution request, in writing, that a particular use of the originating institution's trademarks and/or service marks be discontinued, the non-originating institution shall cease and desist such use of the trademarks and/or service marks.
8. The parties hereto will have the relationship of independent contractors for all purposes. Each will have complete control over its own performance and the details for accomplishing its own obligations under this Agreement. In no event will the agents, representatives or employees of one party be deemed to be agents, representatives or employees of the other.
9. This Agreement may be executed by a duly authorized representative of each party, either by electronic or facsimile transmission, each of which will be considered an original.
