Student Research & Intrepid Grant Application

Date

Name

Grant Title (Intrepid or Student Research)

Major

Have you received a STEAM/Intrepid grant in the past (circle answer): YES NO

If you answered yes to the question above, what grant was awarded and in what year did you receive it?

Proposal: Please explain in about 300 words or less the grant project/activity/travel that you wish to have funded. Please include who, what, where, when and how you plan to execute your plan.

Cost: Please provide a detailed estimated cost schedule of your project/activity/travel. If your grant is approved you will receive further instruction on obtaining the funds.

Return: Please explain the projected benefits to you, your major's department, The School of STEAM and the university. In short, please explain in about 100 words or less why your proposal should be funded.

Submit scanned application to Dr. Lori Woods, Associate Dean of STEAM
LWoods@francis.edu
