— St. Francis of Assisi

MESSAGE FROM THE PRESIDENT

Peace and good!

On-campus life, face-to-face learning, and our strategic plan Francis 2020, all came to an abrupt and involuntary halt on Friday, March 13, 2020. Our faculty and staff pivoted on a moment's notice to transition to virtual learning. Our students' transformational experiences continued in the spring 2020 semester, albeit in a much different fashion.

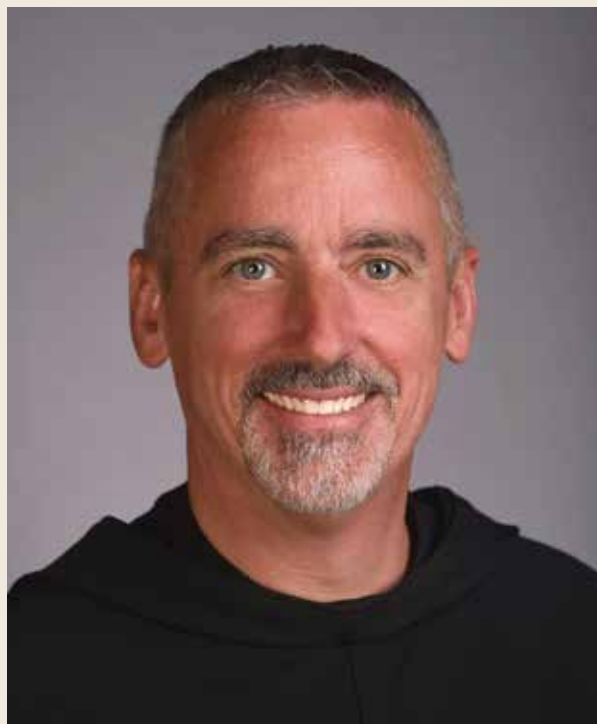

Through the darkest days of the pandemic, I was touched by the generosity of our alumni. The Student and Community Emergency Fund was established and funded to the tune of \$65,318 within two months. Grants were awarded to current students to help with unexpected expenses and hardship due to the pandemic and to community members served by the Dorothy Day Outreach Center.

One could say the Feast of the Resurrection took place on June 1, 2020: our campus returned to life. On that day, Saint Francis University welcomed a cohort of 55 Physician Assistant Sciences students back to campus for face-to-face learning in the classroom. These students, faculty, and staff pioneered and tested protocols for a safe on-campus environment amid pandemic. How fitting that our health sciences programs were among the first to return to campus.

Our students and their families voted with their feet as the fall 2020 semester opened. Ninety percent of upper-classmen returned to campus. We welcomed more than 400 new (freshmen and transfer) students to campus. We see this as an endorsement of on-campus, face-to-face education. Not only did our students and their families endorse our efforts, but our donors also supported us generously and for many different initiatives. Three initiatives stand out in 2019-2020: The Connors Family Fine Arts Center, the campaign to renovate Sullivan Hall and a very special endowment.

I am pleased to tell you that plans are underway to construct the Connors Family Fine Arts Center, home to the Resinski Black Box Theatre. Thanks to a mighty grassroots fundraising effort to honor beloved theater faculty member Mr. Kenny Resinski, we have over \$3.25 million in commitments. We aim to break ground on a stand-alone fine arts center in May 2022.

Sullivan Hall continues its transformation as we move into Phase 2 of the renovations. We have secured over \$5 mil-

lion in commitments for Phase 2 and we are grateful for the continued support of our benefactors. The renovation supports all the good work being done in that building by the School of Health Sciences and Education.

On the endowment front, we were fortunate to announce the first-named academic program at the University in August: the Dr. Philip Woo Economics Program, made possible by the Woo family's generosity.

Articles about the Connors Family Fine Arts Center and the Dr. Philip Woo, Sr. Economics Program are included in my report as well as the names of our 2019-2020 benefactors.

As always, our alumni, parents, and friends have continued to be loyal and generous, which is an endorsement of our Catholic and Franciscan mission, and I cannot thank you enough for standing with us through thick and thin. Our University community has been a model of resiliency, faith, and strength in 2020. Thank you for your generosity to the endowment, capital projects, and student-centric projects special to your heart. God continues to bless us.

"You give us peace, O Lord, for it is you who have accomplished all we have done." (Is. 26:12)

Sincerely,

**Very Rev. Malachi Van Tassell, T.O.R., Ph.D.
President**

University establishes the Dr. Philip Woo Economics Program in honor of respected scholar

Saint Francis University has established its first “named” academic program in honor of Dr. Philip Woo. The Dr. Philip Woo Economics Program is part of the Shields School of Business, housed in historic Schwab Hall.

Dr. Woo was a respected scholar, dedicated teacher, and successful businessman with a sharp mind for real estate and banking. During his 26 year stellar teaching career, Dr. Woo shared his passion for economics with hundreds, if not thousands, of students, and helped launch many of them into their own successful business careers.

The University held a ceremony in the Kudrick/Oravec Vista Room, August 31, 2020, to announce the founding of the Dr. Philip Woo Economics Program, made possible by a generous gift from the Woo family. The special restricted endowment will be used to create a scholarship fund in business, with a preference to students majoring in economics, as well as to provide financial support for economics-related student research and travel to conferences. It is the largest endowment fund to be bestowed upon the Shields School of

Dr. Philip Woo

shared “I feel fortunate enough to have been a professor at Saint Francis University long enough to be able to say I had the pleasure of working directly with a few of the great legendary business department faculty such as Dr. Woo. He was always kind to me, and I admired him for his ability to be a family man, a devoted teacher, a respected scholar, and successful entrepreneur. We are pleased to see him recognized in this manner.”

Dr. Woo was himself a product of a Saint Francis education, graduating with an Economics degree in 1952. A native of what is today North Korea, Dr. Woo came to America seeking a better life for himself. Upon graduating from Saint Francis, his educational journey led him to the University of Michigan, where he earned

Business since the establishment of Dr. Albert A. Zanzuccki Endowed Chair in Business in December 2005.

a master’s degree, and then later to New York University where he gained a doctorate in economics. Hired by Dr. Albert Zanzuccki in 1961 to teach economics, Dr. Woo quickly became a standard bearer in the study of economics until his retirement in 1987. His influence within the Economics Program and throughout the business school, along with his long and distinguished tenure at Saint Francis, is matched by only a few. His passing in 2016 was sadly marked by the University, though all remain heartened by the legacy he left at Saint Francis.

On Thursday, March 19, 2020, Governor Tom Wolf issued an unprecedented Executive Order requiring all “non-life sustaining businesses” in Pennsylvania to close in response to the growing number of COVID-19 cases.

In compliance with the Governor’s order, Saint Francis University was forced to close its physical campus and rapidly shift all University operations to the digital realm. For the remainder of the spring semester, the University community remotely

conducted classes and adjusted to its new norm. While technology kept the semester intact, the disruption resulted in many unanticipated challenges. Many students and their families suddenly found themselves suffering severe financial burdens from the pandemic’s economic fallout. Area residents served by the Dorothy Day Outreach Center, another key SFU constituency, endured similar circumstances.

Together We Gave

A Generous Spirit

As the stories of those in need arose, members of the University swiftly began a fundraising effort to help fill financial gaps and established an emergency support fund. As a call for help was issued, the Saint Francis University Alumni Association seeded the effort by committing \$5,000 in matching funds while the University leveraged its Global Giving Tuesday campaign, which was designated as a day of global action in response to the global pandemic, to bring in donations for the fund. On Global Giving Tuesday alone (May 5, 2020), 208 alumni, parents, and friends contributed \$49,555 to the ongoing Emergency Support Fund campaign’s total. To date the generous response from the SFU community has exceeded \$65,000.

The Emergency Support Fund of 2020

HOW THE FUND HELPS:

- Covered technology costs to transition to online learning from home: monthly internet fees, and materials such as paper and ink.
- Provided funds for grocery needs for students who experience food insecurity at home.
- Covered transportation costs for last-minute departures from campus.
- Kept the Dorothy Day Outreach Center pantry stocked.

Grateful Students

Many shared their notes of gratitude and below are a few highlights.

“This obviously isn’t how the Class of 2020 expected to end our final semester at SFU. Something that has helped us through it is the support of the SFU community including the Alumni Association. ... You’ve given us a great example of what it means to be part of the SFU Alumni family and I’m excited to join!”

— **Emily Graziano**

“The Student Emergency Fund gave me funding to purchase my textbooks for the next semester after I lost my job due to the virus. Without these funds I would have been put into a position of deciding which textbooks were most important to purchase or having to take out larger loans to purchase textbooks.”

— **Patrick McCauley**

“Thank you for the support and extra boost due to the COVID 19 disruption in my daily activities and events. For me personally it offered motivation and the fact that I got this email regarding it also makes me feel I am cared for by the University body as a whole and they want me to succeed. I have an extremely challenging separate life from school and any disruption affects my well being and ability to succeed in my education. Anything extra is a huge help with that- from daycare when I worked until I was furloughed and then barely leaving the house to suddenly having everyone home all day causing me to stress about feeding everyone while I’m not working and learning online and helping my kids do this with no privacy and not enough computers.”

— **Jodie Garzarelli**

“During the times of COVID, I was more than sure that I would need to put my education on hold, especially not having a proper functioning laptop. I currently

drive 30 minutes each way to a friends house to use her computer, because mine has decided to fully stop working. With that said, for a period of time I did give up, and when San Antonio was hit with tornado warnings this past week, I was unable to complete three assignments, not only do to bad weather, but no laptop to use at the time to complete my work once the storm cleared. I have never been the one to ask for assistance, as I have always been the one giving, but this Student Emergency Fund will not only help me through COVID but follow through with my Masters Degree.”

— **Tenisha De Massis**

“I wanted to say thank you for being generous enough to help me out during these unprecedented times. To the alumni,

facility, Administration and whoever else made this possible, I cannot say thank you enough. This act of kindness has helped me more than you could imagine! This money has helped me during this time by helping me buy the groceries I needed.”

— **Nick Rinella**

“I want to give a HUGE thank you to the Alumni, Staff, Faculty, and Administrations at St. Francis University for contributing to the emergency fund that I received. Since the quarantine, it has been difficult for my family and me financially. This emergency fund helped us pay our FPL (FL power & Lights) bill. My family and I are incredibly grateful for this help. Thank you, Saint Francis University. God bless you all!!”

— **Arleht Martinez**

The background of the image is a collage of various patterned fabrics. On the left, there are vertical strips of fabric with repeating geometric and floral motifs in dark blue and gold. In the center, there is a large, intricate black and white geometric pattern that resembles a stylized sunburst or a complex tessellation. To the right, there are several other fabric patterns: a purple and white diamond or argyle pattern, a green fabric with large purple polka dots, and a blue fabric with a tropical print featuring palm trees and a toucan. The overall composition is vibrant and artistic.

Connors Family Fine Arts Center

Home of The Resinski Black Box Theatre

Campaign Update: Saint Francis University has been blessed with a passionate group of alumni who have come together by taking on a successful fundraising campaign to honor the legacy of Kenny Resinski, long-time director and drama professor from 1967-2013.

The response to the appeal has been quick and generous! To date, fundraising has surpassed the \$3,000,000 mark with gifts and pledges from more than 300 individuals. Originally, the plan was to transform an existing physical plant space into the Resinski Black Box Theatre, next to the Boilerhouse Music and the Arts Garage facilities.

With the outpouring of financial support from alumni and friends coupled with strategic planning by the University, the decision has been made to construct an entirely new building to house all fine arts programs under one roof, including music, dance, visual arts, performing arts, and the Resinski Black Box Theatre.

The University established the academic Center for the Fine Arts in spring 2019, bringing together all fine arts programs under one department led by Dr. Daniel Atwood. Now with a dedicated building on the way, the arts will have a physical home to support the vibrant academic vision.

The Connors Family Fine Arts Center will be located across from DeGol Field on the corner of St. Catherine Street and St. Peter Street near one of the main entrances to the campus. The site is already owned by the University, has ample parking and is in a much more visually prominent location than was the original garage site.

The Resinski Black Box Theatre will be the keystone feature in the new Center. It will be dedicated to Kenny Resinski, who passed away in 2013, and his wife, Bonnie, costume designer extraordinaire, who continues to be a driving force in the

Tie One On For The Resinski Black Box Theatre: Kenny loved a flamboyant tie. His vast collection has served as a spirited fundraiser within the tight-knit theater community.

Lasting impact: Kenny started his tenure at SFU in 1967, and in the decades that followed until his death in 2014, he inspired thousands of students and captivated audience members.

arts at Saint Francis.

The dream of a Black Box Theatre began two years before Kenny died when the Resinskis submitted a proposal to the SFU “Visions 2020” strategic campaign.

Bonnie continued to advocate for the idea of stand-alone theatre building until the idea took hold.

Project architects, IKM of Pittsburgh, PA, are creating several architectural designs and outlining revised costs associated with the new facility. Additionally, IKM has begun in-depth, on-campus focus sessions with all project stakeholders to guarantee a facility that meets today’s students’ needs and can adapt to the future needs of the theatre and all the fine arts on campus.

Groundbreaking is planned for early 2022 with the building expected to be operational for the University’s 175th anniversary celebrations that year.

To support the project, please contact Bob Crusciel, Marie Melusky, or Steve Hessmann in the Advancement Office at (814) 472-3021 or visit the website francis.edu/MakeAGift.

Kenny’s wife, Bonnie, is a passionate advocate who is working with the architectural firm IKM of Pittsburgh, PA, to create the vision for the Connors Family Fine Arts Center and the magic that will take place within.

The Giving Clubs

Saint Francis values individuals who invest in the University through their gifts. Every gift is important. The University has established giving clubs as a special way to say “thank you” to donors who contribute at specific levels.

Charles Schwab Club

Annual gifts of \$500 - \$999

The Charles Schwab Club recognizes the lasting impact our alumni have on shaping the character of the University. Named after the founder of Bethlehem Steel and the first president of the Saint Francis College Alumni Association, the Charles Schwab Club is a reminder of the University’s rich history and of the alumni who are a part of its fabric.

Gifts from Parents

At Saint Francis, an impressive number of parents go far beyond the expected in providing a quality education for their sons and daughters. These parents are committed to making the benefits of a Saint Francis education available to other young people. Their generosity helps create expanded opportunities for all students, today and for years to come.

Saint Francis' Matching Gift Program:

You can double, triple, or even quadruple your gift to Saint Francis University. More than 1,000 companies nationwide participate in the matching gift program. Matching gift programs often vary by employer, both in eligibility and in the amount of the match. Some companies will match donations by employees, retirees and/or spouses. To find out whether you or your spouse is eligible for a corporate matching gift, visit the annual fund's matching gift webpage, www.matchinggifts.com/stfrancis

Celebrating 175 Years

Many Gifts, One Spirit

A Celebration 175 Years in the Making 2021-2022-2023

In 1847, stewarding the vision of the Troubadour from Assisi, six Franciscan brothers (Giles Carroll, Dominick Lee, Vincent Welstead, Joseph Corcoran, Peter McDermott, and Jerome O’Kieffe) departed Roundstone, Ireland to fulfill a dream, rooted in Francis’ teachings. As part of their spiritual mission to educate the local population, they cleared land in the forests of Loretto, Pennsylvania and built a school on top of the mountain.

Thanks to these friars, Saint Francis University, the oldest Franciscan college in the United States, is fast approaching its 175th anniversary.

To commemorate 175 years of rich educational and religious tradition, the University will host a multi-year celebration beginning later next year with the official Dodransbicentennial in 2022.

Anniversary Milestone Events

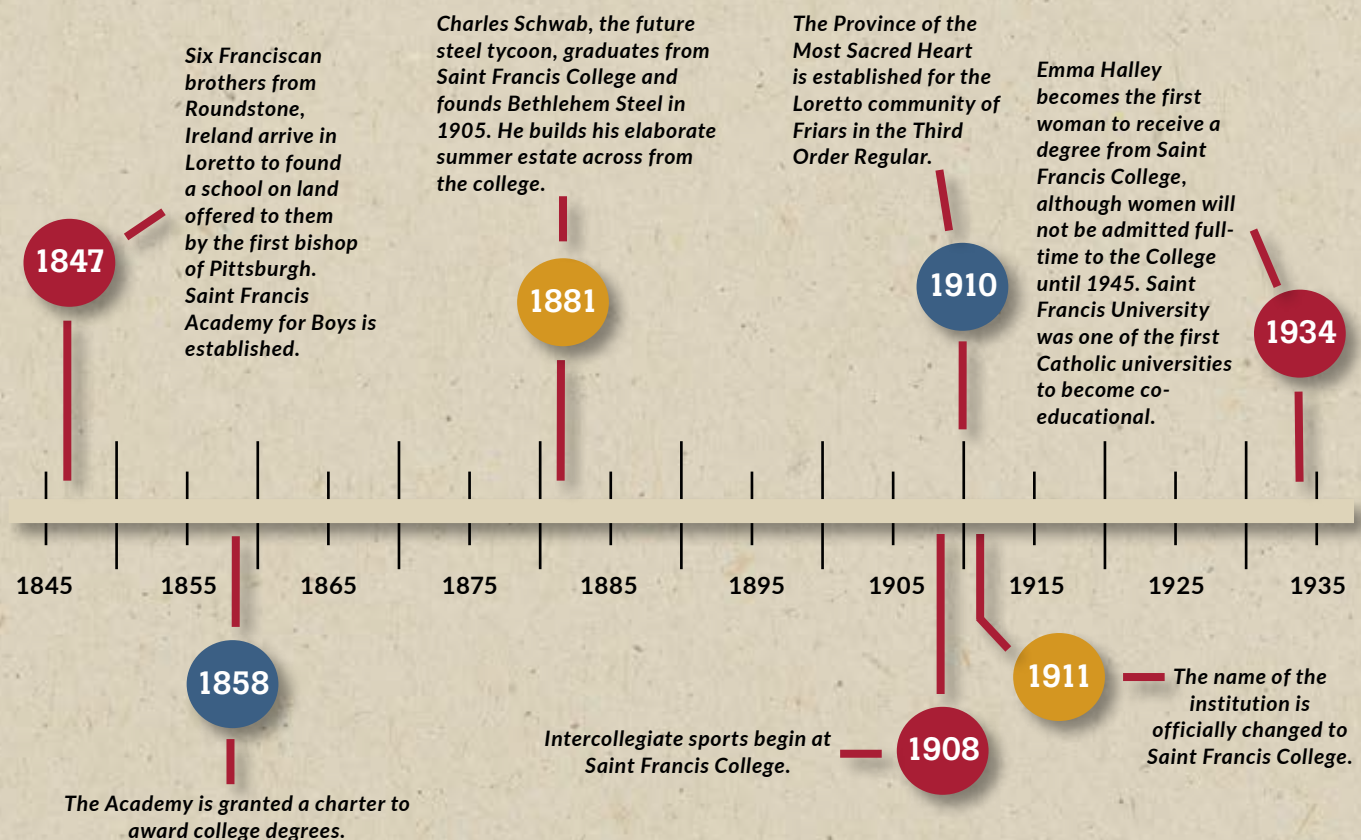

Mark your calendars for these milestone events. Additional details will be announced on the official web page: francis.edu/175

THE EARLY YEARS

PEACE PRAYER OF SAINT FRANCIS OF ASSISI

*Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.*

*O divine Master, grant that I may not so much seek
to be consoled as to console;
to be understood as to understand,
to be loved as to love.
For it is in giving that we receive,
it is in pardoning that we are pardoned,
and it is in dying that we are born to Eternal Life.*

Amen.

SAINT FRANCIS
UNIVERSITY become that someone

*Thank you for supporting Saint Francis University.
Your gift makes a difference in the lives of our students.*
