

SAINT FRANCIS UNIVERSITY

2016-2017 President's Report

Become That Someone

MESSAGE FROM THE PRESIDENT

Rev. Malachi Van Tassell, T.O.R., Ph.D.

Peace and good! The prayer of Saint Francis says, in part, “It is in giving that we receive.” Saint Francis University is so grateful for the generosity of our donors. You help us to accomplish that which is “above and beyond” for the good of our students. One of the pillars of the University’s strategic plan, *Francis 2020*, is Francis the Good Steward. We are committed to being good stewards of our many gifts.

On March 30, 2017, His Eminence Timothy Cardinal Dolan, Archbishop of New York, visited our campus. The purpose of his visit was to help the University thank two benefactors, Mr. & Mrs. Lou DiCerbo. Lou and his wife, Pat, generously funded the **Rev. Gabriel J. Zeis, T.O.R. Endowment in Franciscan Studies and Roman Catholic Theology** with a gift of \$1 million. On that historic evening, the Cardinal and we honored mutual benefactors, who have helped the Catholic Church and Saint Francis University forward its mission in service to others.

That same afternoon, Cardinal Dolan celebrated Mass for the community in the Stokes Athletics Center. Over 1,500 congregants prayed in DeGol Arena at a Lenten weekday Mass celebrated by the Cardinal. I presented the Cardinal with an honorary doctorate from Saint Francis University, recognizing him for tirelessly proclaiming the Catholic message in the public arena. By honoring the Cardinal during his visit, I was able to point to the role of a Catholic university: a place of debate with civility; a place to wrestle with ideas; a place to discover Truth; a place also to move focus from that which is visible, to that which is invisible or transcendent. The Cardinal himself reminded us, “The role of a Catholic university is to help students put the one true God first in their lives.” He also said, “I get around to a lot of Catholic universities and you can sense things when you come onto campus. This is a place that knows what it’s about. This is a friendly, welcoming, warm place. There is a sense of focus and dedication at Saint Francis University.” I am grateful to Cardinal Dolan for his kind remarks, and for joining us to honor our mutual friends, Lou and Pat DiCerbo.

Franciscan scholar Ewert Cousins wrote, “A Franciscan university [...] should create an atmosphere that supports, nourishes, stimulates, and energizes growth in the intellectual life, just as it should do the same for the cultivation of respect for persons and for all of creation.” The University’s recently-launched branding campaign, *Become That Someone*, encapsulates the mission of the University. This phrase is based on the story of alumnus and basketball player Maurice Stokes, who was a student-athlete from 1951 to 1955. Jack Twyman and Maurice were friends and teammates on the Rochester/Cincinnati Royals from 1955 to 1958. In the last game of the 1957-58 regular season, Maurice suffered an on-court injury that led to him falling into a coma days later, leaving him permanently paralyzed. Diagnosed with post-traumatic encephalopathy, a brain injury that damaged his motor-control center, Maurice was supported for the rest of his life by Jack Twyman, who became his legal guardian and advocate. Maurice died in 1970.

The *Become That Someone* theme is part of the story of Maurice Stokes and Jack Twyman and came from a 2008 interview that Twyman did with the *New York Post*. “Maurice was on his own,” said Twyman. “Something had to be done and someone had to do it. I was the only one there, so I became that someone.”

As I present to you the **2017 President’s Report**, I am reminded of the words of the prophet Isaiah who said, “Lord, you will decree peace for us, for it is you who have accomplished all we have done.” I give thanks to God, who has blessed us with 170 years of Franciscan presence and Franciscan-hearted people. Our donors help our students to *Become That Someone* that God wants them to be, through transformational experiences at Saint Francis University. We strive to develop a mind for excellence, a heart for service, and a spirit of peace and justice in each of our students. I am grateful for your generosity to Saint Francis University.

May the Lord bless you and give you peace.

Fr. Malachi Van Tassell TOR

Tribute Programs

Saint Francis University offers several opportunities to memorialize programs designed to meet our donors' wishes and to enhance Saint Francis University.

Memorial Bench

The memorial bench program offers the opportunity to recognize an individual or individuals with the distinctive placement of an elegant bench on the Saint Francis campus. The bench will include a bronze plaque inscribed with an appropriate citation. Donors consult with the University's Office of Advancement and Landscape Department to determine the location of the bench, and the landscaping design surrounding the bench. Benches have been purchased to honor or remember family, loved ones, classmates, faculty members and other sources of inspiration. Our benches are located throughout campus and contribute to the beauty of Saint Francis University's setting. The cost of the memorial bench is \$5,000.

Gifts of Remembrance

Honorary and Memorial Gifts

These gifts honor two groups of people: the living, whom others wish to honor, and the deceased, whom friends and families seek to memorialize. Such gifts serve as a tribute to the honoree and perpetuate his or her impact in a tangible way.

1847 LEGACY SOCIETY

The 1847 Legacy Society recognizes the enduring value of education. It celebrates the vision of the founding friars who laid the foundation for what is now Saint Francis University. Like those founders, donors who support the University through bequests, charitable gift annuities, charitable trusts, life insurance, and other planned vehicles, are building a foundation for future generations. Legacy Society gifts help the University fulfill its promise of a high-quality education grounded in our Franciscan values.

Memorial Book

The memorial book program provides another distinct opportunity to recognize a special individual. Donors, with the assistance of a member of our library staff and our advancement staff, select a book of their choice that is then added to the collections of the Saint Francis University Library. An attractive book plate with an appropriate inscription is placed on the inside cover. The cost of a memorial book begins at \$50 depending on the style of the book selected.

Memorial Tree

The memorial tree program provides an opportunity for a tree to be planted on campus in the name of a special person in your life. Many planting sites for a wide variety of trees are available throughout campus. A member of our landscaping staff and our advancement staff will help you select a tree and/or planting site. A brass plaque inscribed with the appropriate citation will be placed at the base of the tree. Trees will be dedicated for the natural life of the tree, if a tree dies within two years of planting, the tree will be replaced at no cost. The cost of the memorial tree is \$1,000.

President's Update

FRANCIS THE BUILDER

The construction of new spaces on campus must be aligned with and be designed to enhance the living and learning environment of the University. This will be done through a careful use of space that will foster greater interaction between faculty and students and provide greater opportunities for students to form cohorts of engagement. Attention to environmental sustainability will be fostered as a part of campus culture and will be considered in all building project designs.

Methodology

The 2016 First Destination Survey was distributed by the Career Services Office to 764 undergraduate and graduate students who graduated in December 2015 and May or Summer of 2016. Each graduate received an email with a link to the survey and a paper copy of the survey by regular mail in November of 2016. Two months later, in January 2017, each non-respondent was contacted again by email and regular mail. Faculty, staff, advisors and academic departments were then contacted to obtain any available post-graduation information for non-respondents. In addition to the mailings and faculty contact, follow-up phone calls and emails were made to non-respondents. Social media tools (LinkedIn, Facebook, and Google) were also used to retrieve graduate information.

Appendix A of the full report includes a copy of the **First Destination Survey**, the tool used to capture the information contained in this report. View the full report at www.francis.edu/career.

Career Snapshots: **Class of 2016**

Madeline Berry

School of Arts and Letters

Never let the past determine your future, unless you're Madeline Berry. Madeline graduated with a Bachelor of Arts degree in History, and is currently an AmeriCorps Environmental Steward with the Cambria County Conservation District. Her history background allows her to cultivate an awareness of current environmental problems and their connection to the past, which provides her with a unique perspective on climate issues. Always looking forward, but with a passion for the past, she is currently applying to graduate schools so she can continue to study history.

Pablo Medina

School of Business

A standout soccer player from Mexico City, Mexico, Pablo made the long journey to SFU with the goal of playing for a Division I team. But his athletic successes soon followed him off the field and onto a path he never expected. Pablo graduated a decorated triple major in Finance, Accounting, and Management Information Systems with multiple honors. His SFU accomplishments led him to New York City, where he accepted an Investment Banking Analyst position at Bank of America Merrill Lynch's Global Technology, Media & Telecom Group. Pablo's goals may have changed since his first days at SFU, but his drive for success remains.

Dillon Brown

School of Sciences

Creating video games reminiscent of Space Invaders in his high school computer programming class piqued Dillon's interest in Computer Science. That interest (and a double major in Computer Science/Applied Mathematics) eventually landed him a position as a Software Developer with New Pig Corporation. Based out of Tipton, PA, New Pig helps businesses manage leaks, drips and spills to create clean and safe environments with their products being used in over 300,000 facilities worldwide.

Danielle MacMurtrie

School of Health Sciences

Danielle blended her love of anatomy and art during her time at Saint Francis University, creating large scale oil paintings for the School of Health Sciences. After graduating with her Doctor of Physical Therapy degree she began working at the HealthSouth Rehab Hospital in Lancaster. There she found the perfect patient population to build her skills as a new PT, while gaining exposure to more complex cases. She has also created her own little version of the SFU "Boiler House" Fine Arts studio in her apartment.

Becoming "the someone" that they are meant to be:

Saint Francis University students go on to become doctors, biologists, chemists, engineers, entrepreneurs, lawyers, teachers, nurses and policy-makers to name a few.

Our graduates enjoy successful careers and carry their Franciscan values with them.

The Annual Report lists the names of individuals who contributed to Saint Francis University from July 1, 2016 to June 30, 2017. Contributions received after June 30, 2017 will appear in the Donor Report for 2017-2018. Saint Francis University gratefully acknowledges the support of its many donors and benefactors.

Donors appear in their respective categories: Saint Francis Society, Giving Clubs, Parents, Friends, Stokes Club, Red Flash Future Program, Capital Gifts, Matching Gift Companies, Business Scholarship, Memorial and Recognition Gifts, and Alumni Association Members. Endowed Scholarships are also listed. Married alumni are listed as Mr. and Mrs. in their respective giving clubs and in the husband's class year. Female spouses are listed individually in their class years.

In order to standardize the listing of donor names, the prefixes Mr. and Mrs., religious prefixes and suffixes, military titles, political titles, and the designation of Dr. for M.D. or Ph.D. have been used.

Every effort has been made to make this report as accurate as possible. If your name has been omitted, misspelled, or misplaced, we sincerely apologize. Please let us know if there is an error by contacting us at:

The Bell Tower stands as a link back through the ages to the founding of the school and as a connection to the thousands of people who make up the Saint Francis University Community. The Bell is rung twice a year during Freshman Move-In Day and on Graduation. This is a long-standing tradition at Saint Francis in which all students pay homage and respect to those who've come before them.
