# CONGRATULATIONS

Commencement is a culmination of the hard work and dedication Saint Francis University students have put into earning their degree.

It is not only a way to recognize their efforts, but to celebrate our new graduates as they begin to apply the lessons they've learned in the classroom to the world beyond academia.

And while the pomp and circumstance may look a little different this year,

Saint Francis University is as proud as ever to honor our graduating 2020 class!

## **SAINT FRANCIS UNIVERSITY** ALMA MATER

Hail, Saint Francis, ever true we stand and sing of love for thee from  
the halls of inspiration onward move in dignity.  
When our college days are through we will ever loyal be to the memories that we  
cherish and the love of friends we knew.  
Praise thee ever, Alma Mater virtue with love combines.  
Proudly now we hail to thee Alma Mater among the pines.
