**Become That...Successful Student** – All of us – parents, faculty, and advisors – want our students to transition successfully to Saint Francis University both academically and personally, and become engaged in academic and campus life during their academic career, all leading to their success later in careers, families, and communities. We are committed to every student having the necessary programs, resources, and support throughout their entire college years, with a special emphasis on the first year. This session will discuss the expectations of our First-Year Experience, the support services available to help students meet their academic responsibilities, and many suggestions to ease the transition.

**Managing Your Student Accounts** – This brief question and answer session provides students and families an opportunity to learn helpful tips and strategies in engaging the financial aid and billing/payment processes and systems to ensure your family's successful investment into the SFU experience.

**An Introduction to the UPMC MyHealth@School & Student Assistance Programs** – Meet representatives of the UPMC MyHealth@School program to learn about the student health services that are provided to you!

**Meet with Academic Advisors** – In this session you will be able to meet with your academic advisor for your upcoming first year. You will receive information on various academic services and international study opportunities. You will also receive your fall schedule of classes and information about your major.

**Life at SFU: Ready...Set...Go Red Flash!** – *Residence Life & Orientation Student Staffs* - Students won't want to miss this session! We know you have questions on what is like to live with a roommate, how to stay safe, how to succeed with academics, and what is there to do here... just to name a few! Our session will help answer those questions as well as discuss what you are most excited about when it comes to living on campus. We cannot wait to meet you!

**Class of 2025's 1<sup>st</sup> Official Social** – Classes haven't even started and you're already planning social events on campus! Join your classmates and enjoy some much-needed down-time. Kick back and play some *Cornhole*, *Kan Jam*, *Bear Bucket*, *Spikeball*, and other campus favorites and grab some *noms* too!

**Recruited Student-Athlete Information** – *Mr. John Krimmel, Associate Director of Athletics for Student-Athlete/Leadership Development & Mr. Shane Tay, Assistant Director of Athletics for Compliance* – This session is for students who want to compete on our intercollegiate Division I teams, as well as Cheer or Dance squads and their parents. The administrators will provide information regarding items that must be completed prior to participation in intercollegiate athletics. Additionally, we will discuss issues and concerns that a student-athlete might experience during his or her first year of being a Red Flash student-athlete.

**Honors Program Welcome** – *Dr. Irene Wolf, Honors Program Director / Associate Professor of Biology* – This session is for all incoming Honors Program students and their families. This is a great opportunity to get to know other Honors students as well as to hear from faculty on what to expect for your first year and beyond.
