___ **D.D.C. Newsletter:** A newsletter, published twice a semester, bringing awareness of our activities to the community. Advertising spots are available-the funds of which are used to support the DDC's Emergency Financial Assistance program. Volunteers are needed with marketing (for donations and sales slots), photography and writing skills to assist with the four publications of the D.D.C. newsletter.

___ **Fundraisers:** The DDC does not receive government funding to help their clients with their financial issues therefore we have various fundraisers to meet our financial goals. Activities such as Funfest, a family day of games and activities for the youth of the community, declining balance donations, where students donate to the DDC from their declining balance, hoagie and pizza sales, etc. are some of the projects we use to raise our funds.

___ **Holiday Distribution:** Volunteers help with our Thanksgiving dinner for the elderly, Christmas food and toy distribution, and the Easter food distribution.

___ **New Programs, individually designed programs, or one-time special projects or programs:** Please let us know if the DDC can assist you with a specially designed program that meets your particular social justice concerns, interests, and learning needs.
