Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2012-13:	104
Unduplicated number of males enrolled in 2012-13:	25

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2012-13.

Average number of clock hours of supervised clinical experience required prior to student teaching	275
Average number of clock hours required for student teaching	525
Average number of clock hours required for mentoring/induction support	157
Number of full-time equivalent faculty supervising clinical experience during this academic year	4
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	125
Number of students in supervised clinical experience during this academic year	105

Please provide any additional information about or descriptions of the supervised clinical experiences:

Students are placed in certified teacher classrooms. Each student is required to complete clinical experience requirements for each course taken. An Administrator who is a half time employee and retired school principal supervises clinical placements

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2012-13. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Section I.f Program Completers

Provide the total number of teacher preparation program completers in each of the following academic years:

2012-13: 36

2011-12: 51

2010-11: 57

Section II Annual Goals - Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route to state credential program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1)(A)(ii), §206(a))

Information about teacher shortage areas can be found at <http://www2.ed.gov/about/offices/list/ope/pol/tsa.html>.

Please provide the information below about your program's goals to increase the number of prospective teachers in mathematics in each of three academic years.

Academic year 2012-13

Did your program prepare teachers in mathematics in 2012-13?

Yes

How many prospective teachers did your program plan to add in mathematics in 2012-13?

3

Did your program meet the goal for prospective teachers set in mathematics in 2012-13?

No

Description of strategies used to achieve goal, if applicable:

Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Changing to a School of Arts and Letters had extended opportunities for other departments to collaborate. We are finding that students are now entering courses, dual majoring and also minoring in education.

Provide any additional comments, exceptions and explanations below:

Advertise, Open Houses, College Fairs, on campus visits, phone calls, emails, and person contact through high schools

Academic year 2013-14

Section II Assurances

Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

Yes

Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

Yes

Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

Yes

Prospective general education teachers are prepared to provide instruction to students with disabilities.

Yes

Prospective general education teachers are prepared to provide instruction to limited English proficient students.

Yes

Prospective general education teachers are prepared to provide instruction to students from low-income families.

Yes

Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

Describe your institution's most successful strategies in meeting the assurances listed above:

Coordination with English Department personnel on ELL instruction. Encouragement and support in study abroad opportunities. Clinical experiences in varied setting over four years. An advisory panel from regional schools that share their needs with the university. The Education Department has a collaborative relationship with area schools that is anchored by the Professional Advisory Committee. This committee meets yearly to solicit feedback regarding program students and graduates, and to understand the needs of school districts. Feedback about the quality of our students' program is also gained through the contact that Internship and student teaching field supervisors. Educators from area schools serve as adjunct professors and guest speakers, which gives students an authentic link to challenges surrounding children with disabilities, low income students, and limited English proficient students. Ms. Shaw director of the CARES program which offers social programming to children on the Autism spectrum. University students plan and deliver small group instruction in social skills and maintain classroom management by incorporating behavior interventions, under the supervision of Ms. Shaw. Also students from the University participate in an RTI program in a district with a significant Title I population. In addition to specific courses regarding students with disabilities and English Language Learners, concepts about instructing these students are imbedded in core courses, such as Education Foundations, Educational Psychology, and Methods.

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:
