

ADCS Assessment Plan

Description of the ADCS Business Majors

The business majors through ADCS provide a strong common business core (CBC) and replicates the School of Business's common business core. Major programs of study through ADCS are accounting, management, computer systems management, and organizational leadership, and healthcare management. The common business core includes courses in accounting, economics, business communication, finance, the legal environment of business, management, marketing, production and operations management, statistics, and strategic management. The CBC develops the necessary skills and competencies of the undergraduate business education at Saint Francis University.
