ARRIVAL, UNLOADING & MOVE-IN

Residence Life and University Police look forward to welcoming you and your families to campus! In preparation for your move, here are the instructions regarding move-in and parking. This is one of few events we allow curbside parking and will have several employees directing traffic and assisting you in finding a spot closest to your assigned residence hall.

Our preferred method is for the student to walk into the front lobby of their assigned residence hall and check in. Here they will receive information about the residence hall, their key and their emergency contact information card to complete. A member of the residence life staff will escort you to your room, conduct a room inspection and finish up any other paperwork we may need.

Please limit the number of people assisting you with your move-in to two people per student in the residence halls. Orientation Counselors will be on hand to assist you with getting your items from your car to your room.

While the student is checking in, we ask that the family stays with the car and unloads the items onto the sidewalk or other area for staging of the student's belongings. There will be several Orientation Counselors and members of the Saint Francis Community available to help carry all of the items up to the room for you.

Please relocate your car to the indicated parking lot as soon as it is unloaded. This will allow for the next vehicle to pull in and unload. Please do not leave your vehicle curbside after it is unloaded. We have assigned 6-10 residence life staff members to your hall for the day. They are here to serve you and assist in every way possible and to make your day more pleasant.
