Become that Successful Student

Dr. Renee Bernard, Associate Dean of Instruction & Dr. Pete Skoner, Associate Provost

All of us – parents, faculty, and advisors – want our students to transition successfully to Saint Francis University both academically and personally, and become engaged in academic and campus life during their academic career, all leading to their success later in careers, families, and communities. We are committed to every student having the necessary programs, resources, and support throughout their entire college years, with a special emphasis on the first year. This panel discussion will address the expectations of our First-Year Experience, the support services available to help students meet their academic responsibilities, and many suggestions to ease the transition.

Student Finances

Ms. Ashley Krinjeck and Ms. Alyssa Sheehan, Business Office, & Mr. Shane Himes, Director of Financial Aid

This session provides an overview of helpful tips and strategies in engaging the financial aid and billing/payment processes and systems to ensure your families successful investment into the SFU experience.

Letting Go

Mr. David Wilson, Director of Counseling Services

This program will address parental influence, parental involvement, and concerns related to their first-year adjustment. Participants will discuss the uniqueness of Saint Francis University and available campus resources to assist first-year students in a successful adjustment to college life.

Living on Campus

Mr. Don Miles, Director of Residence Life & Ms. Kristen Corcoran, Associate Director of Residence Life

Learn how the Residence Life staff can assist you and your student as they join our residential communities. The Residence Life staff will help prepare you for your son or daughter's first semester living on campus by giving an overview of the residential program, explaining valuable resources in the residence halls, and talking through some of the first-year transitional challenges your student may encounter.

Commuting

Dr. Bobby Anderson, Director of Student Engagement

This session will inform you about the opportunities for involvement available to our commuting students as well as provide you with information pertaining to other student services.

Student Life Panel Discussion

The overall wellness and safety of our students is a primary concern for all of our staff and faculty. We know this concern is shared by families of our students. This panel of administrators will address wellness issues, campus safety and security, health services, community standards and expectations, and the overall atmosphere of community life. Questions to the panel are encouraged, and we propose conversation on the values and principles of our campus community.

Q&A with current Students

Saint Francis University Orientation Counselors

Parents...are you eager to know what students think about SFU? Our Orientation Counselors are ready to take your questions. For easy things like basic information, and "where to go" kinds of questions, to the really tough questions about the concerns of the student body, our Orientation Counselors will be open and honest about their experiences at Saint Francis University.

Recruited Student-Athlete Information

Mr. John Krimmel, Ms. Jaime Lipski, Mr. Shane Tay and Ms. Lauren Fearer

This session is for students who want to compete on our intercollegiate Division I teams, University Band, Cheer or Dance squads and their parents. The administrators will provide information regarding items that must be completed prior to participation in intercollegiate athletics. Additionally, we will discuss issues and concerns that a student-athlete might experience during his or her first year of being a Red Flash student-athlete. **Note:** This session is offered as an early-bird option in the morning and as an afternoon session, please feel free to choose the option that works best for you!
