## UNIVERSITY

become that someone

Dear SFU Student,

Saint Francis University recently received funds through the CARES (Coronavirus Aid, Relief and Economic Security) Act passed by Congress. The CARES Act Higher Education Emergency Relief Fund was created to provide emergency financial aid to students whose lives have been disrupted by the restrictions surrounding COVID-19.

Many students across the country are facing financial challenges related to the change in their coursework and living situation. To appropriately distribute the CARES Act funding to our neediest students, we are asking students to report on the factors that have created a financial impact for them since March 13, 2020. After reviewing each application, we will distribute funds directly to students. \*Students must have a valid 2019-2020 FAFSA on-file with the University. Also, students who are international or undocumented, non-degree seeking, or are enrolled in a program that is only available 100% online (MMS, MHS, MPH, etc.) are not eligible to apply.

**The application will be open from 8:00AM on Friday, May 15, 2020 to 11:59PM on Sunday, May 31, 2020.**

To access the application, please login to [my.Francis.edu](https://my.Francis.edu) and go to the Current Student tab. On the left navigation menu, you will find the **CARES Grant Application** link.

Once you have submitted your application, you can void your original submission and resubmit another one at the same link if you have omitted any information or need to revise something. You will receive a confirmation email whenever you submit or void an application.

We are planning to begin distributing funds to students on Friday, June 12, 2020.

Please contact [Francis\\_CARES@francis.edu](mailto:Francis_CARES@francis.edu) if you have any questions about this application.

Sincerely,  
SFU Cares Act Committee
